## Editorial

International Journal of Development Administration Research, Year 7, Issue 1 January - June 2024. The objective of the journal is to serve as a medium for exchanging and disseminating research results and academic articles by teachers, academics, and students both inside and outside Suan Sunandha Rajabhat University. And because the International Journal of Development Administration Research has received standard accreditation from the Thai Journal Citation Index Center. (Thai-Journal Citation Index Centre: TCI) to be in group 2. Therefore, in preparing such journals to have quality and standards according to accurate indicators according to the standard criteria of the Thai Journal Citation Index Center (TCI) It has been specified that the editorial team has a process for preparing the journal, starting from receiving articles through screening by the editorial team and selecting experts with knowledge and expertise in each relevant field who will consider each article. As shown on the table of contents page and consists of a total of 10 articles.

The editorial team of the International Journal of Development Administration Research would like to thank all the article authors for their interest in submitting their articles for publication. All experts who have sacrificed their time to consider and give suggestions. This will be useful in developing and improving the journal to have even greater quality in the future. And thank you to the administrators of Suan Sunandha Rajabhat University. for always supporting

Asst. Prof. Dr. Natnaporn Aeknarajindawat
